REQUEST FOR CERTIFICATE OF CORRECTION UNDER 35 U.S.C. § 255

The Assignee of record in the above-referenced patent, Hegenscheidt-MFD GmbH & Co. KG, by virtue of an assignment recorded December 10, 2007, at Reel 020222, Frame 0724, hereby requests that a Certificate of Correction be issued for U.S. Patent No. 7,185,595 under 35 U.S.C § 255 (37 C.F.R. § 1.323).

During the review of the issued patent, Assignee recognized that there were two typographical errors in claim numbers 12 and 13. These typographical errors were introduced in Assignee's claim amendment filed on August 1, 2007. Specifically the phrase "the swivel joint" should read "the swivel joint" in both claims 12 and 13.

In the enclosed Certificate of Correction, Assignee seeks to amend claims 12 and 13 to recite "the swivel joint" rather than "the swivel join."

Assignee respectfully submits that the above listed mistakes are of a clerical nature and occurred in good faith during prosecution. Assignee further submits that correction of these mistakes does not constitute the entry of new matter nor would it require reexamination of the

patent. Assignee further submits that the corrections of these mistakes are supported by pages 10 and 11 of the originally-filed English language specification as well as by the recitation of “a swivel joint” in both claims 12 and 13. Accordingly, Assignee requests that the Commissioner issue a Certificate of Correction under 35 U.S.C § 255 to correct all of the mistakes identified above. If there are any questions regarding this matter, the U.S. Patent Office is kindly requested to contact the undersigned at the telephone number identified below. The Commissioner is hereby authorized to charge any fee necessary to enter this paper, including the \$100.00 certificate of correction fee, to Attorney’s Deposit Account No. 50-3081.

Respectfully submitted,
